Jury Meeting Minute

Reference IMM/CT/62-2022

Instituto de Medicina Molecular João Lobo Antunes (iMM) opened a call to hire an Accounting Administrative to join the Finance and Operations Office coordinated by Fausto Lopo de Carvalho.

The ad was published at EURAXESS Portugal Portal on 19th of May 2022 and also disseminated in iMM website and Netempregos Portal.

Initially, the call was opened from 20th of May 2022 until 2nd of June 2022 and during which the following applicant applied:

- ✓ Ahmad Abdollahi
- ✓ Ana Sofia Oliveira Silva
- ✓ Fátima Crisóstomo
- ✓ Farruk Shahzad
- ✓ Jorge Nunes Caetano
- ✓ Manuel Vieira

Due to the reduced number of applicants, and considering the importance of this position for the good functioning of the Finance and Operations Office, the jury decided to extend the call from 3rd of June until 20th of June 2022. During this period, only two applicants applied:

- ✓ Ana Luísa Gonçalves
- ✓ Juliana Heiland

Due to the reduced number of applicants, and considering the importance of this position for the good functioning of the Finance and Operations Office, the jury decided to extend the call one more time from 21st of June until 8th of July.

However, taking in consideration that the call was already open for some time, for efficiency reasons, and since all candidates must be evaluated according to the objective criteria defined in the job ad and not by direct comparison between them, on the 23rd of June 2022, the jury composed by Sandra Duarte, Fausto Lopo de Carvalho and Cláudia Soeiro decided to start evaluating the admitted applications, which were received until the end of the second extension of the call (i.e until 20th June), which were:

- ✓ Ahmad Abdollahi
- ✓ Ana Sofia Oliveira Silva
- ✓ Fátima Crisóstomo
- ✓ Farruk Shahzad
- ✓ Jorge Nunes Caetano
- ✓ Manuel Vieira
- ✓ Ana Luísa Gonçalves
- ✓ Juliana Heiland

B- SH FM

The applicants Jorge Nunes Caetano, Fátima Crisóstomo and Juliana Heiland were excluded since they didn't send all required documents and in the specific case of applicant Fátima Crisóstomo she also informed us that was no longer interested.

The evaluation of the admitted candidates was made in accordance with the work plan, profile and evaluation criteria defined in the job ad which are transcribed below:

Work Plan and Objectives:

- Registration of supplier invoices in an software program;
- Record of reimbursements to be paid to employees;
- Registration of documents of various operations;
- Support to year-end accounting processes;
- Reconciliation of current accounts;
- Responsible for the update and control of accounting report files;
- Other tasks, in accumulation or not, without prejudice to the professional category and the corresponding remuneration.

Candidate's Profile:

- Technical or higher education in Accounting Area;
- Minimum experience of 2 years in similar activities;
- Advanced knowledge of Excel;
- High sense of responsibility, dynamism, organizational skills and method;
- Excellent interpersonal, communication and teamwork;
- Fluent spoken and written English (mandatory);
- Good knowledge and experience with computerized accounting systems;
- Immediate availability;
- The international experience of the candidate, although not a determining criterion for selection, will be valued.

Evaluation Criteria: Applications will be evaluated by Sandra Duarte, Fausto Lopo de Carvalho and Cláudia Soeiro, in accordance with the following method:

1st Phase: Curricular Evaluation: 35% and Motivation Letter: 15%;

2nd Phase: Interview: 50%. Only candidates who score at least 30% in phase 1 will be selected for interview.

Curriculum Analysis (35%)

The analysis of the Curriculum Vitae took in consideration:

- Technical or higher education in Accounting Area (10%);
- Experience in the proposed tasks for at least 2 years (10%);
- Knowledge and experience with accounting systems (5%);
- Very good Knowledge of English (5%);
- Advanced Knowledge of Excel (5%).

Motivation Letter (15%)

The analysis of the Motivation Letter took in consideration:

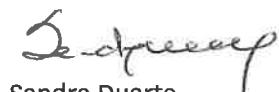

- Motivation for the activities to be performed (8%);
- Fit between prior experiences/expertise/relevant knowledge and the work plan (5%);
- Written communication (2%)

The analysis and discrimination of all admitted candidate's classification is presented in Annex I_table 1 attached to this minute.

Following this, the applicants Ana Sofia Oliveira Silva and Ana Luísa Gonçalves scored at least 30% and were contacted for an interview. The candidate Ana Sofia Oliveira Silva rejected because she was already in a new job and no interview was done to her.

The interview of the candidate Ana Luísa Gonçalves was scheduled to the 4th of July 2022.

Lisbon, 29th of June 2022

Jury Meeting Minute

Reference IMM/C1/62-2022 (2nd Extension period – 21st of June until 8th of July)

Instituto de Medicina Molecular João Lobo Antunes (iMM) opened a call to hire an Accounting Administrative to join the Finance and Operations Office coordinated by Fausto Lopo de Carvalho.

The ad was published at EURAXESS Portugal Portal on 19th of May 2022 and also disseminated in iMM website and Netempregos Portal.

Initially, the call was opened from 20th of May 2022 until 2nd of June 2022 but due to the reduced number of applicants, and considering the importance of this position for the good functioning of the Finance and Operations Office, the jury decided to extend the call twice , first from 3rd of June until 20th of June 2022 and then from 21st of June until 8th of July

Below are identified the candidates that applied from 21st of June until 8th of July:

- | | |
|-------------------------|--------------------|
| - Jorge Lopes | - Gilberto Júnior |
| - Marisa Nunes | - Inocêncio Mupila |
| - Madalena Pinheiro | - Andreia Paiva |
| - Cátia Almeida | - Crislayne Campos |
| - Isabel Seoane | - Elisângela Costa |
| - Carlos Pena | - Francisco Silva |
| - Célia Dias Rodrigues | - Henrique Barata |
| - Paula Paulino | - Lurdes Barbosa |
| - Razvan Ovidiu Mitrica | - Maria Rosa Lima |
| - Sónia Maravilha | - Nelson Raposo |
| | - Pedro Teles |

The applicants identified below were excluded since they did not send all required documents:

- Andreia Paiva
- Crislayne Campos
- Elisângela Costa
- Francisco Silva
- Henrique Barata
- Lurdes Barbosa
- Maria Rosa Lima
- Nelson Raposo
- Pedro Teles

The jury also verified if the applicants_Jorge Nunes Caetano and Juliana Heiland had sent the required documents that were missing in his application, during the additional extensions of the call. Since no additional documents were send, they were also excluded.

All admitted candidates were duly evaluated in accordance with the work plan, profile and evaluation criteria transcribed in the first jury minute.

The evaluation is discriminated in ANNEX I_Table 2 attached to this minute.

Following the evaluation of the CV and motivation letter, the jury invited for an interview the candidates that obtained a score equal and/or higher than 30%. The candidates are identified below.

- Cátia Almeida
- Célia Dias Rodrigues
- Marisa Nunes
- Razvan Mitrica
-

The candidate Cátia Almeida communicated that she was no longer interested.

The interview took place on 27th of July 2022. The interview was based in the following criteria:

- High sense of responsibility, honesty, organization, dynamism, proactivity, curiosity (10%);
- Adequacy of the profile to the proposed work (20%);
- Communication skills (10%);
- Collaborative spirit (10%).

The analysis and discrimination of these candidates' classification in the interview phase and the total classification in both phases are presented in Annex II-table 2.

Since all admitted candidates were evaluated by the same criteria, despite the time when theirs application was received, for sake of clarity, the analysis and discrimination of the candidates' classification (CV and Motivation letter) from all candidates that applied to this call are presented in Annex I- Table 3 and the analysis and discrimination of the candidates' classification from all candidates who were interviewed are presented in Annex II-table 3

At this stage, the candidate with the highest score presented in Annex II- table3 will be selected for the position.

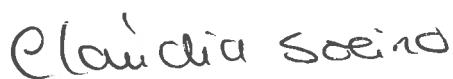

Lisbon, 29th of July 2022

ANNEX I_Table 2 - Employment Contract Reference IMM/CT/62-2022

Applicant	Curriculum Analysis (35%)				Motivation Letter (15%)			Total	Justification
	Technical or higher education in Accounting Area (10%)	Experience in the proposed tasks for at least 2 years (10%)	Very good Knowledge and experience with accounting systems (5%)	Advanced Knowledge of English (5%)	Motivation for the activities to be performed (8%)	Fit between prior experiences/expertise/relevant knowledge and the work plan (5%)	Written communication (2%)		
Carlos Pena	5	6	5	4	4	2	2	1	29
Cátia Almeida	7	5	5	2	4	8	4	1	36
Célia Dias Rodrigues	7	10	5	4	2	8	4	2	42
Gilberto Junior	8	6	4	2	4	2	2	1	29
Inocêncio Mupila	8	0	0	0	0	0	0	0	8

Handwritten signatures: AF, S, M, JM

Curricular Analysis: Background in Economics; 2.5 years experience in accounting; However, the candidate has more a consultant profile and the proposed activities does not fit exactly in the profile. Experience in informatic systems related to Accounting; Indicates to have an advanced knowledge of English but no certification is mentioned. The same for the EXCEL. Motivation Letter: Makes a resume of the professional path and his motivation is based in the tasks executed in previous jobs as Accounting technician and don't emphasizes his personal skills neither the way he can contribute for the position goals.

Curricular Analysis: Bachelor Degree in Accounting and Management; 2 years experience in the proposed activities and/or related activities; Knowledge and experience in accounting systems; Basic user of the English language; Domain of the Excel but no mention to a certification. Motivation Letter: Makes a resume of her professional path and explains how her profile, despite junior, can fit in the position, reinforcing the personal skills. Demonstrates motivation to work in IMM.

Curricular Analysis: Bachelor Degree in Management and other trainings directly related with Accounting; More than 2 years experience in the proposed activities; Knowledge and experience in accounting systems; Knowledge and experience in accounting informatic systems; Bi user of the English language (has a certification); Knowledge of the Excel. Motivation Letter: Makes a resume of her professional path and explains how her profile can fit in the position, reinforcing the personal skills. Demonstrates motivation to work in IMM.

Curricular Analysis: Degree in Accounting and Audits in Angola and have concluded the 1st phase of the MSc in Accounting and Tax; Experience for more than 2 years in activities related with Accounting but in a more Consulting environment; Knowledge of accounting informatic systems, namely Primavera; Indicates to have an Advanced knowledge of Excel by Deloitte & Touche; Indicates to have a good knowledge of English but do not classifies or indicates certification. Motivation Letter: Makes a resume of the professional path and his motivation is based in the tasks executed in previous jobs as Accounting technician and don't emphasizes his personal skills neither the way he can contribute for the position goals.

Curricular Analysis: Degree in Ciências Económicas Empresariais - Accounting and Audits; No experience in the proposed activities; no mention to have knowledge and/or experience in accounting informatic systems; no mention to English or Excel. Motivation Letter: Confused motivation letter, referring that worked in a Consulting company but in the CV there is no mention to that. No fit to the position.
