

This is a guide for IMM users on how to **create an Agendo account** that you can use to sign in to Agendo using the [Sign in](#) option and to computers with Windows Agendo login installed (pGina). If you can already sign in to Agendo using [Sign in](#) instead of [Sign in with institute credentials](#), you do not need to follow these instructions.

1. Go to **imm.agendo.science**
2. Select “Register”

3. Add your personal details. Please use your institutional email (@medicina.ulisboa.pt) and include also your IMM **Phone extension!**

## Create a new account

For more information, please read [Quick User Guide](#)

\*Required fields

\*E-mail:  
E-mail

\*First name:  
First name

\*Last name:  
Last name

Phone:

Phone extension:  
Phone extension

4. Select “iMM JLA” and your Group (lab). If your lab is not in the list, select “Other” and fill in the details for your lab (the group responsible is your group leader).

\*Institute:  
iMM JLA

\*Group  
Other

Other group  
Group's name

I am the group responsible.

\*Group responsible email  
Group's email

\*Group responsible first name  
Group's first name

\*Group responsible last name  
Group's last name

5. You do not need to Request Access to “Resources”, “Products” or “Facilities”. Tick the option “I agree with Agendo’s Terms of Use” and click on Submit.

I agree with [Agendo's Terms of Use](#)

6. If you receive an alert that the email is already registered, then you already have an Agendo account with your credentials.

**Alert:** This email is already registered

7. If you do not remember the password, please click on “Recover Password” and follow the instructions.
