**SOP.UCF.029 - BD LSRFortessa 1 AND 2**  
STARTUP CLEANING PROCEDURE

## Are you starting up?

(First user of the day on Weekends, Holidays and outside weekly working hours)

 **Please don't prime**

Turn on the Computer, the Cytometer and the FFSS  
Login on Windows and FACSDiva  
Follow the **startup cleaning procedure**:

You are ready to run your samples!

Thank you!
