CALL FOR ONE SCIENCE AND TECHNOLOGY MANAGEMENT FELLOWSHIP
Reference of Fellowship IMM/BGCT/30-2018

The Instituto de Medicina Molecular João Lobo Antunes (IMM) opens a call for a Science and Technology Management Fellowship for a Technology Transfer Officer funded by the European Research Council, under the project “AXIAL EC-PRINCIPLES OF AXIAL POLARITY-DRIVEN VASCULAR PATTERNING”.

Work Plan and Goals: The TTO’s primary goal is the commercialization of the IMM’s expertise for the benefit of the Institute and wider community. For this, the TTO will be responsible for the following activities:
- Support and help IMM researchers to identify and develop the innovation activity with potential to be patented (Patent Scouting);
- Close collaboration with IMM Legal, Board of Directors and Group Leaders;
- Strengthening research and partnering contacts with Industry;
- Enable knowledge transfer to Industry and society;
- Define technology acquisition strategy;
- Commercialize IMM’s Intellectual Property;
- Negotiate research agreements (with support from Legal Office) for Industry engagement with IMM;

Scientific Area: Technology, Innovation

Candidate’s Profile:
- Bachelor degree holder in the field of International Relations and Affairs and/or Biomedical Sciences;
- It will be given preference to candidates with post-graduation course in a relevant area for the work plan;
- Strong experience in innovation management, technology transfer, business development, intellectual and industrial property and project management;
- Highly motivated with an entrepreneur and ambitious mindset;
- Creativity, critical thinking and strong ability to work in an autonomous way;
- Strong orientation for legal and ethical aspects related to technology transfer, intellectual and industrial property;
- Excellent knowledge of English, spoken and written;
- High level of entrepreneurship skills;
- Excellent communication skills with an international and national network.

Duration of Fellowship: 12 months, on an exclusive basis, eventually renewable, not exceeding the eligible period of the project.

Law and Regulation: Research Fellowship Statute (Law nr 40/2004, from August 18th, republished in attach to Decree-Law nr 202/2012, from August 27th), IMM Regulation Fellowship and IMM.

The IMM undertakes to ensure compliance with the principles of non-discrimination and equality and to that extent, provides that no candidate can be privileged, benefited, harmed or deprived of any right or exempted from any duty due in particular ancestry, age, gender, sexual orientation, marital status, family status, economic status, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic disease, nationality, ethnic origin or race, place of origin, language, religion, political or ideological convictions and trade union membership.

Predicted Start Date: May 2018

Work Place and Scientific Orientation: The work will be developed at IMM under the supervision of Maria Mota and Bruno Silva Santos (both PhD’s).

Fellow Monitoring Centre: The monitoring centre works on Tuesday (09:00AM to 01:00PM / 02:00PM to 06:00PM) and Thursday (02:00PM to 06:00PM), at Human Resources of IMM João Lobo Antunes.

Monthly Remuneration: The net monthly remuneration will be in accordance with candidate’s previous experience and applicable regulation. The amount will be paid through bank transfer at the end of each month.

Obligatory Documents for Applications: Motivation letter; - Detailed CV; - Contact information of two references or 2 Recommendation Letters (optional); - Bachelor’s degree certificate. The non-compliance with these requirements determines the immediate rejection of the application.

Evaluation: Applications will be evaluated by a jury composed by Carmo Fonseca, Maria Mota and Bruno Silva Santos (all PhD’s and Members of IMM Board of Directors). Also, Sofia Vicente dos Santos (HR Director) and Fausto Lopo de Carvalho (Financial and Administrative Director) can be assigned in addition or as a complement of the main jury,

Selection Method: All applications will be evaluated in accordance with the following valuation: - Curriculum Vitae (40%); - Interview (60%);

Deadlines and Submission of Applications: The call will be open from 7th May until 18th May, 2018.

Applications should be sent to IMM Human Resources Office through the email imm-hr@medicina.ulisboa.pt, indicating the reference of fellowship (mandatory). The non-compliance with these requirements determines the immediate rejection of the application.

Communication of Results: The results will be published at https://imm.medicina.ulisboa.pt/en/job-opportunities/results/ and posted at the entrance lobby of the Institute.

Lisbon, 18th April, 2018

The Executive Director of IMM
Professor Maria Manuel Dias da Mota, PhD
