

CALL FOR A RESEARCH FELLOWSHIP (BI)  
Fellowship Reference IMM/BI/33-2022

Instituto de Medicina Molecular João Lobo Antunes (iMM) opens a call for one research fellowship under the project “PTDC/MED-QUI/4160/2021 - Rapid mapping of glycoRNA using click chemistry and sequencing approaches” with the funding support from Fundação para a Ciência e a Tecnologia, IP.P. / MCTES through national funds (PIDDAC).

**Scientific Area(s)** Chemical Biology

**Fellowship recipients / Admission requirements (*indicate mandatory and preferential requirements*):** Any National, foreign and stateless candidate(s) that fulfill the necessary conditions to be enrolled in a MSc degree course (in a area related to the work plan) can apply.

Applicants must hold the following requirements:

- BSc degree holder in Biotechnology
- Experience in biological chemistry techniques for selective modification of proteins
- Experience with LC-MS techniques for protein characterization
- Basic knowledge of using deconvolution software (e.g. MassLynx) for protein analysis.
- . Experience with handling radioactive substances.
- High knowledge about radiation protection.

The international experience of the candidates, although not a determining criterion for selection, will be valued.

**NOTE:** *In the event the BSc degree was awarded by a foreigner higher institution, the degree must comply with the provisions of Decree-Law nr 66/2018, 18<sup>th</sup> August, and all formalities established there must be fulfilled by applications deadline.* For further information about the procedure, please check [here](#).

**Work Plan and Objectives:**

- Synthesis of glycoRNA click degraders;
- Characterization of the synthesized molecules by LC-MS;
- Characterization of synthesized molecules by radio chromatography and HPLC;
- Characterization of the synthesized molecules by radiological techniques.

**Legislation and Applicable Regulation:** Estatuto do Bolseiro de Investigação approved by Law nr 40/2004, from 18<sup>th</sup> August in its current form (altered by Decree Law nr 123/2019, 28<sup>th</sup> August) and current Regulation of Fellowships of Fundação para a Ciência e a Tecnologia <https://www.fct.pt/apoios/bolsas/regulamento.phtml> (approved by Regulation nr 950/2019, from 16<sup>th</sup> December).

**Predicted start date, duration and renewal conditions:** The fellowship contract is predicted to start in October 2022, for a period of 12 months on an exclusive basis, eventually renewable until the maximum stipulated in applicable regulations, not exceeding the eligibility period of the project.

**Work place and Scientific orientation:** The research activities will be developed at GBernardes Lab of iMM, under the supervision of Bruno Oliveira.

**Non-discrimination and equal access policy:** IMM undertakes to ensure compliance with the principles of non-discrimination and equality and to that extent, provides that no candidate can be privileged, benefited, harmed or deprived of any right or exempted from any duty due in particular ancestry, age, gender, sexual orientation, marital status, family status, economic status, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic disease, nationality, ethnic origin or race, place of origin, language, religion, political or ideological convictions and trade union membership.

**International environment and experience:** Diversity is a fundamental aspect of the essence of IMM, where researchers and non-researchers of different nationalities, backgrounds and areas of study work together, promoting the exchange of experiences and interactions, contributing to the personal and professional development of each person and to the existence of an international, inclusive and stimulating environment.

**Research Fellows Support Centre:** The Research Fellows Support Centre works on Tuesdays and Thursdays from 9:00AM to 6:30PM at Human Resources Office.

**Fellowship financial conditions:** The fellow will benefit from a monthly stipend in the amount of 875,98 € in accordance with the defined in FCT table <https://www.fct.pt/apoios/bolsas/valores.phtml.pt>. The amount will be paid by wire transfer at the end of each month. The fellow will also benefit from a personal accident insurance to execute the proposed research activities as well as the right to Social Security through Voluntary Social Insurance regimen, if wanted, under the terms of Código dos Regimes Contributivos do Sistema Previdencial de Segurança Social, and the contributions costs will be supported by the research project.

**Application documents:** - Motivation Letter; - Detailed CV; - BSc certificate (please check the “NOTE” in Fellowship recipients); - Contacts of 2 references;. ***The non-compliance with these requirements determines the immediate rejection of the application.***

In case the applicant does not have yet the required degree certificate, a declaration of honor stating the conclusion of the necessary qualifications for the purposes of this process will be accepted and must be sent by the end date of the call.
