

Final Jury Meeting Minute

IMM/CT/73-2023

After the preliminary hearing period of 10 working days, no changes were verified in what concerns to classification and ranking of the admitted candidates.

However, during the pre-hearing, the jury noted that the reference to the funding was incorrect, and since this is an essential formal element for the contract to be adequately funded, and only preliminary results have been published, the jury decided to close this call and propose to the heads of the institution to open a new call to ensure that all formal aspects are in place.

This final decision is signed by the three members of the jury and also validated by the Heads of the Institution.
